LISTING AND STATUS OF THE CLAIMS

The following is a complete listing of all the claims in the application, with an indication of the status of each:

1   1 – 21. Canceled

1   22. (Currently amended) An on-line service providing method comprising:
2   carrying out a processing of images at a first terminal to produce processed
3   images;
4   transmitting processed images and an identification number from said first
5   terminal via a network to a commerce provider server;
6   storing said processed images in said commerce provider server in accordance
7   with said identification number;
8   transmitting said identification number from a second terminal, located at a
9   store, to said commerce provider server, wherein said second terminal is different
10   from said first terminal; and
11   transmitting said processed images in accordance with said identification
12   number from said commerce provider server via said network to said second terminal.

1   23. (Canceled)

1   24. (Previously presented) The method as set forth in claim 22, wherein said
2   network comprises the Internet.

1   25-28. Canceled
